The January meeting will once again be a Potluck Supper. Because we did not have a sign-up at the last meeting, we are asking everyone to call or e-mail Ann Trettis to let her know what you are planning to bring. We will need entrées, side dishes, salads and desserts. We will also need soda, and bread. If you don't know what to bring, Ann will be able to tell you what is most needed. She can be reached at (508) 238-4929 or atrettis@jackconway.com. **Please contact Ann by January 3rd** because she will be calling people she has not heard from over the weekend. Please bring along with you a copy of the recipe for your dish, as Maureen Curtin has generously offered to put together another “Potluck Recipe Book” for us. **Board members are asked to please bring salt and peppershakers and a decorated hurricane lamp for the tables.**
