# EGC News

## EGC News

**NRT NOTES:** I would like to thank every member that supported our NRT event this year by picking, bunching, making, donating, and designing our fabulous selection of goods. I appreciate all the time and effort of those who set up and cleaned up and those who brought goodies to share on Sunday and during workshop. We created approximately 250 sale items (wreaths and other small pieces), 40 Bittersweet bunches, 119 Tall/Med. bunches, 45 Bags of Money, 12 Japanese Lantern bundles, 69 Rose Hip bunches, and over 100 Pink and Blue Hydrangea bunches! With these materials and your support it could only spell SUCCESS. Please come to the October meeting to hear just how successful we were! You will be pleasantly surprised.

Also, for some fun during workshop week I asked 6 Intermediate Designers; Gloria Freitas, Darya Cotter, Robin Kallfelz, Pat Jacobsen, Sandy Medeiros, Helen Hazard and one novice designer Kim Bertram to create an arrangement out of some leftover design piece from the Clubhouse. These creations were judged by the Brockton Garden Club on Saturday. The second part of the contest was to see whose design would sell first. The winners of these contests will be announced at the October meeting! So come and celebrate!

**New Members:** EGC wishes to welcome three new members:

Aziza Zaman

Bonnie Perry

Maryanne Small

**Call for Green Sale Chairman and Committee:** At the October meeting there will be a sign-up sheet for our Greens Sale December 3<sup>rd</sup>. Contact Monica Saba if you would like to be the Member Chairman. Your team will gather greens, create wreathes, decorate, and sell greens. The NRT Fair was an exhausting experience for Monica and her team and they need a well earned break and we need more members to help. If we do not get a Chairman for this fund raiser, it will not be happen.

**Easton Garden Club's "Digging In" Cook Books for Sale:** We have lots of cookbooks for sale at the meetings. They are \$15 a piece with a portion of the proceeds going to the Easton Food Pantry. Buy a bunch and give them as holiday or birthday gifts.

**Create Centerpieces:** Cindy Lemish needs help putting together centerpieces for the Hall of Fame Banquet on Sat. Nov 19, 2005 at 10:00 AM at the Martin Institute at Stonehill College. It should only take a couple of hours if lots of folks sign up. Come and learn or come and teach centerpiece design.

**Recycling Printer Cartridges:** The Easton Garden Club finally has recycle bags for empty inkjet cartridges. Instead of tossing your empty cartridges in the trash, please send them to the recycling center in the postage paid envelope. They go in any mailbox. There is a barcode on the envelope that will credit our account. Nancy Cohenno will have these bags at the October (and future) meetings. Anybody can participate in this recycling project. Unused cell phones can be recycled. They go in the same envelope. If you would like some of these envelopes and will not be at the October meeting, please call Nancy and she will send them to you.

**Email Update:** If you have an email address and aren't on our *egclist* and would like to receive email from us, please let Rory Kallfelz, our Webmaster know. Also, if you want to be removed from the list, let him know. We occasionally email our members with reminders of workshops or other important news. This is one more way we can get our news out to our membership without calling each and every one of you. You may contact Rory at [rory@eastongardenclub.org](mailto:rory@eastongardenclub.org)
